F650CS Accessories Selection

Hardcase

The Hardcase (approx. 10l) is simply "clicked" into the StuffBay. It accommodates everything the rider may need and protects it against theft and water resistance. Easy to install and remove.

71 60 7 664 649 Hard Case w/o lock.
71 60 7 658 463 Lock Cylinder

Hardcase Audio System and connecting harness

Water resistance hard case protects and equips the F650CS Audio System equipped with a connecting socket for the connecting MD, MP3 or CD player. The sound output from the water-resistance speakers or a helmet output connection— with a speed-dependent volume control.

The system is easily "clicked" into place in the StuffBay and removable by the integrated carrying handle. Power harness required and helmet connection, sold separately.

71 60 7 664 650 Audio System
71 60 7 658 463 Lock Cylinder
71 60 7 666 180 Power Harness
71 60 7 670 326 Helmet audio connection
 (BMW style headset only)

Helmet attachment "spider"

The helmet attachment "spider" attaches the helmet to the motorcycle and protects it against theft. Ideal for securing a bag or jacket in the Stuff Bay.

71 60 7 664 652 Helmet Strap w/o lock
51 25 2 337 270 Lock Cylinder

Oval rear view mirror, chrome-plated

The chrome-plated parts give the F650CS an extraordinary look and style. Kit includes left and right mirrors.

71 60 7 669 834 Chrome oval mirror kit.

Chrome-plated instrument cluster trim cover. Available for all F650CS, GS or GS Dakar models. Easy quick installation makes this accessory a snap.

71 60 7 669 839 Chrome trim cover

Side Cover inserts available chrome-plated and Goldorange to individualize the look of the F650CS. BMW roundel included.

71 60 7 671 143 Chrome cover kit (L&R covers)
46 63 7 666 255 Goldorange cover – Left
46 63 7 666 256 Goldorange cover - Right

Silencer cover kit, chrome-plated

Includes both front and rear tip covers, gives the F650CS a distinct look.

71 60 7 671 145 Silencer trim cover kit

Chrome-plated side frame trim cover kit

The sleek chrome-plated side trims, available as a kit, will enhance any F650CS.

71 60 7 671 144 Chrome-plated side trim covers

Engine spoiler kit

Made of carbon fibre (CFP) emphasises the sporty look of the F650CS. Utilises the standard mounting points for ease installation.

71 60 7 665 497 Spoiler kit.

Auxiliary stand

Simplifies and supports servicing and storing the F650CS. Ideal for off-season storage.

90 88 6 001 620 Auxiliary Stand

Trip computer

Removable trip computer incl. clock and alarm clock function supplies all important trip information to the rider at a glance: riding speed, maximum and average speed, total mileage and trip odometer function as well as elapsed riding time plus stopwatch function and many more. Battery operated.

71 60 7 664 859

Trip Computer

Vehicle Theft Alarm system

The system is remote controlled and reacts with a clearly loud audible sound together with a flashing of the turn signals whenever the attempt is made to start the motorcycle, change its position or if subject to shock.

65 75 2 337 481

Alarm System

71 60 7 664 850

Installation kit (required)

Hazard warning flasher kit

Activated by the rocker switch located on the upper fork bridge just ahead of the handlebars.

71 60 7 670 694

Hazard Warning Kit

Power Socket outlet

Operates auxiliary or comfort equipment powered by 12V. The socket outlet can be used to charge the motorcycle's battery with the BMW charger.

71 60 7 664 866

Power Socket Outlet Kit

Picture Not Available

Low supplement seat.

Supplement seats available in Sepia and Dunkelblue colours. Reduces the riding position by approximately 1 inch.

52 53 7 664 025

Sepia Low Seat

52 53 7 664 027
